LIGHTHOUSE BBC TO RECOGNIZE AND HONOR FATHERS NEXT SUNDAY

"I write unto you, fathers, because ye have known him that is from the beginning..." (1 John 2:13).
"Children's children are the crown of old men; and the glory of children are their fathers" (Prov 17:6).

As we recognized and gave honor to mothers last month, we will do the same to fathers next Sunday, June 23. On this day, we shall extend to them the recognition and honor befitting the ones who God gave to our families to be fathers and grandfathers of children and children's children, respectively.

I have often said that as Lighthouse BBC, we need to realize that our first recognition should be our being God's people through faith in Christ. The epistles of Paul to the Ephesians and Colossians contain instructions to fathers, mothers, husbands, wives, children, servants and even masters. We recognize that before Paul gave to these people his instructions, he first of all talked to them as a body of people belonging to Christ. And within that context, he delivered his instructions to the respective family members.

How we function then as fathers, mothers, husbands, wives, in obedience to God's Word, we do so in recognition first of our being God's people. With this in mind, we therefore have a better understanding and responsibility as such.

How we therefore become effective as fathers come first because of our being in God through Christ. Our knowledge of Christ becomes foundational in all relationships and responsibilities, and thus God is glorified in all things we do and this leads to our enrichment as His people. - PRA

**TITLE : PAUL'S WITNESS OF TIMOTHY, OF CHRIST
AND OF HIMSELF**
TEXT : 1 TIM 1:1-18

INTRODUCTION

Timothy (meaning, "honor to God") was the son of a Greek father and a devout Jewish mother (Ac 16:1). His mother and grandmother had instructed him in the Scriptures in childhood. Apparently, they had come to believe in Christ during Paul's ministry in Lystra during his first missionary journey (2 Tim 1:5; 3:15). On Paul's second trip to Lystra, he was so impressed with young Timothy and his Christian character that Paul urged him to be with him on the rest of his journey. From then on, Timothy worked closely with Paul.

A) The well-beloved son of Paul (vs1-2).

Paul addressed this letter to Timothy and describes him as "my dearly beloved son" (2 Tim 1:2; 2:1). He had left Timothy in Ephesus (1:3; 3:15).

B) The warning by Paul (vs3-11).

Paul urges Timothy to remain in Ephesus so that he might counteract some false teachings in regard to the law of Moses.

Paul had forewarned, when he left Ephesus, seven years before, that grievous wolves would ravage the Ephesian flock (Acts 20-29-30). Now, they had appeared in full force, and constituted Timothy's main problem. They appear to have been the same brand of those in Crete with whom Titus had to deal, basing strange teachings on apocryphal Jewish legend connected with Old Testament genealogies.

- 1) The perverting of the law of Moses (vs1-7)
 - a) The perverters (v3a). They are self-appointed "experts" of the law, going about spreading their poison.

- b) The perversion (v3b-7). These men have added a grievous mixture of myths, fables, and endless genealogies to the law.
- 2) The purpose of the law of Moses (v8-11)
 - a) It was not made to control saved people (v8a).
 - b) It was made to control unsaved people (vs8b-11).

C) The witness by Paul (vs12-17).

Here, the Apostle Paul expresses his profound thanksgiving for God's faithfulness.

- 1) What God did (vs12,14-15).
 - a) He saved Paul (vs14-15).
 - b) He selected Paul (v12).
- 2) When God did it (v13).

At the time, the apostle was a blasphemer and violent persecutor of Christians.
- 3) Why God did it (vs16-17).

He did it to demonstrate His amazing grace to even the worst of sinners.

Paul was the one man who had done more for Christ, possibly, than all others combined, yet bowed to the depths with feelings of unworthiness. The closer the walk with Christ, the deeper the sense of humility. He regarded his conversion as intended of God to be an everlasting example of God's longsuffering to wayward men. (H Halley).

D) The wisdom by Paul (vs18-20)

- 1) What Timothy is to do (vs18-19b).
 - a) Fight the good fight (v18).
 - b) Keep the faith (v19a).
 - c) Maintain a clear conscience (v19b).
- 2) What Hymenaeus and Alexander have done (vs19c-20).
 - 1) Their perversion (v19c).

They have made a shipwreck of their faith, bringing shame to the name of Christ.
 - 2) Their punishment (v20)

Paul delivered them over to Satan (withdrawn from church relationship).
