## LIGHTHOUSE BBC SETS NEW THEME FOR THE NEW YEAR: "INCREASING MORE AND MORE IN 2024"

*"...as touching brotherly love ye need not that I write unto you: for ye yourselves are taught of God to love one another. And indeed ye do it toward all the brethren which are in all Macedonia: but we beseech you, brethren, that ye increase more and more" (1 Thess 4:9-10).*

The last portion of this passage, written by the Apostle Paul to the church in Thessalonica, is set to be the Lighthouse BBC Theme for the New Year 2024, "Increasing More and More in 2024."

The Thessalonian church was a "doing" church. It was a church that extended comfort and edification to one another. 1 Thess 5:11, "Wherefore comfort yourselves together, and edify one another, even as also ye do." They did so because they have taken the example of the Apostle in how he and his faithful companions increased in their love for them: 1 Thess 3:12-13, "...the Lord make you to increase and abound in love one toward another, and toward all men, even as ye do toward you: to the end he may stablish your hearts unblameable in holiness...at

the coming of our Lord Jesus Christ with all his saints."

May all of our people learned to value the ministry and to make themselves involved with the many things we do in doing the work of the Lord. We have learned to faithfully steward the manifold grace of God in our lives. For this, we can only praise and thank the Lord for how He bestows to us His manifold grace. And we have learned to do things for the Lord which we did not do in years that passed.

But as how the Thessalonian church were admonished to do more and more, we take this admonition to apply to our ourselves as we continuously do the work of God.

The virtues of being steadfast, unmovable and abounding in the work of Lord cannot be fulfilled in us if we do not do more than we have been doing. As we need to grow in the knowledge and grace of the Lord Jesus Christ, we also need to do more in translating this growing knowledge and grace in the things we do for Him.

With this new theme up ahead, I wish you all a brand new year with more and more increase!
